ADVANCE

Changes in the SPP Program
Effective 1/16/2010

Service Payment Plan, Inc. (SPP) will be increasing its fees and introducing a new formula by which the maximum amount available for financing will be determined effective January 16, 2010.

Dealers must sign a new dealer agreement addendum and return to us by 1/15/2010 if they wish to continue to use SPP as a financing source for their Advance Vehicle Service Contracts.

For new agreement and dealer letter, please visit our website.
Fax completed agreements to 405-286-4030.
Contact Millennium for more information.
800-958-0060

Please visit our library via our website to view FAQ's on the Prizm Protective Merger.

You can find a complete contact list on our website. Improvements have been made for your Advance Vehicle Service contracts. Coverage is now available for current plus 11 model years.

We are looking forward to seeing you at the NADA Convention and Expo. Call us today to schedule a meeting.
