

Mechanical protection for new & pre-owned vehicles.

Congratulations on the purchase of your vehicle. You've just made one of the single largest purchases in your life and you now have the opportunity to protect it.

Advance's vehicle service contracts provide continued mechanical breakdown protection for the long road of ownership ahead. You can be protected from the high cost of unexpected mechanical breakdowns and component failures.

Everyone has experienced or witnessed an unexpected vehicle breakdown. These are always inconvenient and expensive unless you have protection from a vehicle service contract from Advance. A mechanical protection plan from Advance is an intelligent decision to protect you from the increasingly high cost of automotive mechanical breakdowns.
