Vehicle Replacement ETCH *By Millennium*

PROTECT YOUR INVESTMENT

HOW AND WHY DOES IT WORK?

In the United States alone a vehicle is stolen every 20 seconds.

That's over 1 million vehicles every year. Most are never recovered. The ones that are recovered usually have thousands of dollars in repairs. And if you have a deductible, you'll have to pay to get it repaired.

Etching is probably one of the best ways to make your car safe from professional thieves. They are not after the vehicle, they are after the money the vehicles brings them after they sell it. Etching places a special identification code (and Millennium's 800 number) on every window on your vehicle. This makes the vehicle traceable by police, so the thieves cannot sell it, because no one will risk buying it.

With Millennium's 800 number etched on all your windows, anyone can call and report the vehicle stolen. Since changing all of the glass is too costly, the thieves will go to another vehicle.

DID YOU KNOW?

- Most insurance companies will reduce the cost of your comp/collision insurance when you have a vehicle theft deterrent system installed.
- Millennium's ETCH Program meets insurance requirements for reduction of insurance premiums for vehicle theft deterrent systems.

THE PROGRAM:

- 1) Your registration number is etched on all glass windows.
- 2) Only the Millennium's Vehicle Replacement Etch Protection Program provides real financial help when you need it the most.
- 3) When you begin to shop around for another vehicle, you receive reimbursement for a rental car up to \$500.00.

ETCH PROGRAM COVERAGE:

In the event your vehicle is stolen and not recovered:

You will receive a replacement benefit (up to \$25,000.00) that you can use towards the purchase or lease of a replacement vehicle. Wherever you are, you'll enjoy the secure feeling of knowing that you are protected by the Millennium Vehicle Replacement ETCH Protection Program.

Fast response and excellent service are just two reasons why millions of motorists rely on Millennium for on-the-road protection.
