April 3, 2009

To All Millennium and Clients:

It has come to our attention that a small company in Texas that called itself Millennium and offered a Tire and Wheel program and possibly other products has gone out of business.

We want be very clear that in no way shape or form is this company related to our vast array of Millennium products. We were unaware that anyone was using our fine Millennium name to market their products but we are looking into it.

Our innovative line of Millennium products that you have come to know and trust through the years has national headquarters in Oklahoma City, Oklahoma. Please be assured that we will continue to strive to be the strongest leader in the industry all across the nation. If you have any questions please contact your local representative, visit our web site at [www.themillenniumclub.net](http://www.themillenniumclub.net), or contact us at our National Headquarters at 1-800-958-0060.

Sincerely,

A handwritten signature in cursive script that reads "George C. Gaither".

George C. Gaither  
Senior Vice President and National Sales Manager
